

DENTAL CABINET, No. 1.

(ARCHER'S.)

Dimensions of upper portion: 24 inches high, 28 inches wide, and 11 inches deep. It contains one large drawer and ten smaller ones. The top part is opened by dropping the front which then forms a convenient shelf. By a peculiar arrangement all the drawers and the top part are locked by one key. The table contains a large drawer for forceps, etc., and a shelf which slides out above the drawer. All the drawers are lined with imitation morocco.

Black Walnut, varnished or oil finished, \$35 00

No charge for cartage or boxing.

DENTAL CABINET, No. 2.

(ARCHER'S.)

Entire height, five feet two inches by two feet two inches wide. The lower part, bearing a marble slab, contains a cupboard and a drawer for forceps the full width of case and two inches deep. The upper part contains fourteen drawers twelve inches wide and twelve inches long. Four of the drawers are two inches deep and the remaining ten drawers are one and one-half inches deep. Above the drawers are two cupboards; the top lifts upon hinges and reveals an apartment full width of case and four inches deep. The drawers and cupboards in the upper part of the case only require two locks to secure them. The drawers and apartments are stained inside.

Black Walnut, varnished or oil finished,	\$45 00
Drawers lined with imitation morocco,	extra, 5 00

DENTAL CABINET, No. 3.

(ARCHER'S.)

The upper part of this Cabinet is the same in all respects as No. 1. The lower part contains a cupboard with an adjustable shelf, a drawer for forceps, and above the drawer a shelf that slides out. The upper or lower part sold separately if so demanded.

Cabinet complete, black walnut,	\$55 00
Upper Part,	30 00
Lower "	25 00

“ “ “ “ walnut “ “ “ . . .	77 00

No charge for boxing and cartage.

DENTAL CABINET No. 7.

(ARCHER'S.)

This is the handsomest and most effective cabinet made, the back being of walnut and paneled presents a finished appearance even when standing in the middle of the room. The upper part of Exhibition Cabinet has a glass door and at the back a mirror, with two thin walnut adjustable shelves; directly beneath are eight small drawers 14 inches long by 7 inches wide, and varying in depth from $\frac{7}{8}$ inches to $1\frac{1}{2}$ inches. These drawers rest upon a marble shelf 10 inches wide by 35 inches long. The front of the lower portion immediately under the marble case lets down exposing six drawers 14 inches long by 15 inches wide and ranging in depth from $1\frac{1}{2}$ inches to 3 inches. The drawers being made entirely of walnut are not lined.

Black Walnut, Oil Finished, \$80 00

No charge for boxing or cartage.
